

PROTECTOR is supported by Barts and the London Charity and The Rosetrees Trust

PROTECTOR Newsletter – February 2021

Welcome to the PROTECTOR newsletter!

We hope you had a restful break in December. Thank you all for your continued hard work and dedication to the study despite the difficulties we are all experiencing at the moment.

A special thank you to the teams at **Guy's, Portsmouth, and Southampton** who have performed well recently. Treats are on their way to you!

Warm welcome to all staff that have joined the PROTECTOR team recently, including those at Royal Cornwall Hospital. PROTECTOR is now active at **33 sites**. Total recruitment currently stands at **257 patients**.

Royal Cornwall Hospitals NHS Trust	0

REMINDER

- Don't forget to notify us when a participant's **surgery** is scheduled or has happened.
- Please continue to post histopathology and cytology **slides direct to the central pathologist** following local pathology review. Liaise with the PROTECTOR team **before** sending slides.
- You can contact the PROTECTOR team at bci-protector@qmul.ac.uk. Please do not send any participant identifiable information to this email address. If you need to send patient identifiable information to us, please use our nhs.net email: protector.study@nhs.net.
- Please keep the study database up-to-date. Patient postal addresses on the Registration form should be current so questionnaires reach them safely, and the baseline investigations and hormonal profile forms are important to determine patient eligibility. <https://trials.ecmc.qmul.ac.uk/protector>
- **Baseline questionnaires** should be posted to the below address once completed. Please send these in at the earliest. Prepaid envelopes can be requested if needed.
