

PROTECTOR Newsletter – May 2021

Welcome to the PROTECTOR newsletter! We have now recruited over 300 patients to the study and would like to thank all those involved to date. Total recruitment currently stands at **324 patients**.

A special thank you to the teams at **Maidstone, Norfolk, and UCLH** who have performed well recently. Treats are on their way to you!

We wish a warm welcome to all staff and sites that have joined the PROTECTOR team recently, including those in Belfast. PROTECTOR is now active at **34 sites**.

Royal Infirmary of Edinburgh, NHS Lothian	1
South Tees Hospitals NHS Foundation Trust	0
Belfast Health & Social Care Trust	0

REMINDER

- Don't forget to notify us when a participant's **surgery** is scheduled or has happened.
- Please continue to post histopathology and cytology **slides direct to the central pathologist** following local pathology review. Liaise with the PROTECTOR team **before** sending slides.
- You can contact the PROTECTOR team at bciprotector@gmul.ac.uk. Please do not send any participant identifiable information to this email address. If you need to send patient identifiable information to us, please use our nhs.net email: protector.study@nhs.net.
- Please keep the study database up-to-date. Patient postal addresses on the Registration form should be current so questionnaires reach them safely, and the baseline investigations and hormonal profile forms are important to determine patient eligibility. <https://trials.ecmc.gmul.ac.uk/protector>
- **Baseline questionnaires** should be posted to the below address once completed. Please send these in at the earliest. Prepaid envelopes can be requested if needed.
