

PROTECTOR is supported by Barts and the London Charity and The Rosetrees Trust

PROTECTOR Newsletter – November 2020

Welcome to the PROTECTOR newsletter!

A total of 18 patients were recruited in October, and we have now enrolled over **200 patients!** Thank you all for your continued hard work and dedication to the study. It is encouraging to see recruitment and surgeries start to return to normal after a testing time.

A special thank you to the teams at **Nottingham, Cardiff, and Bristol** who have all performed excellently in recent months.

Northampton General Hospitals NHS Trust	0

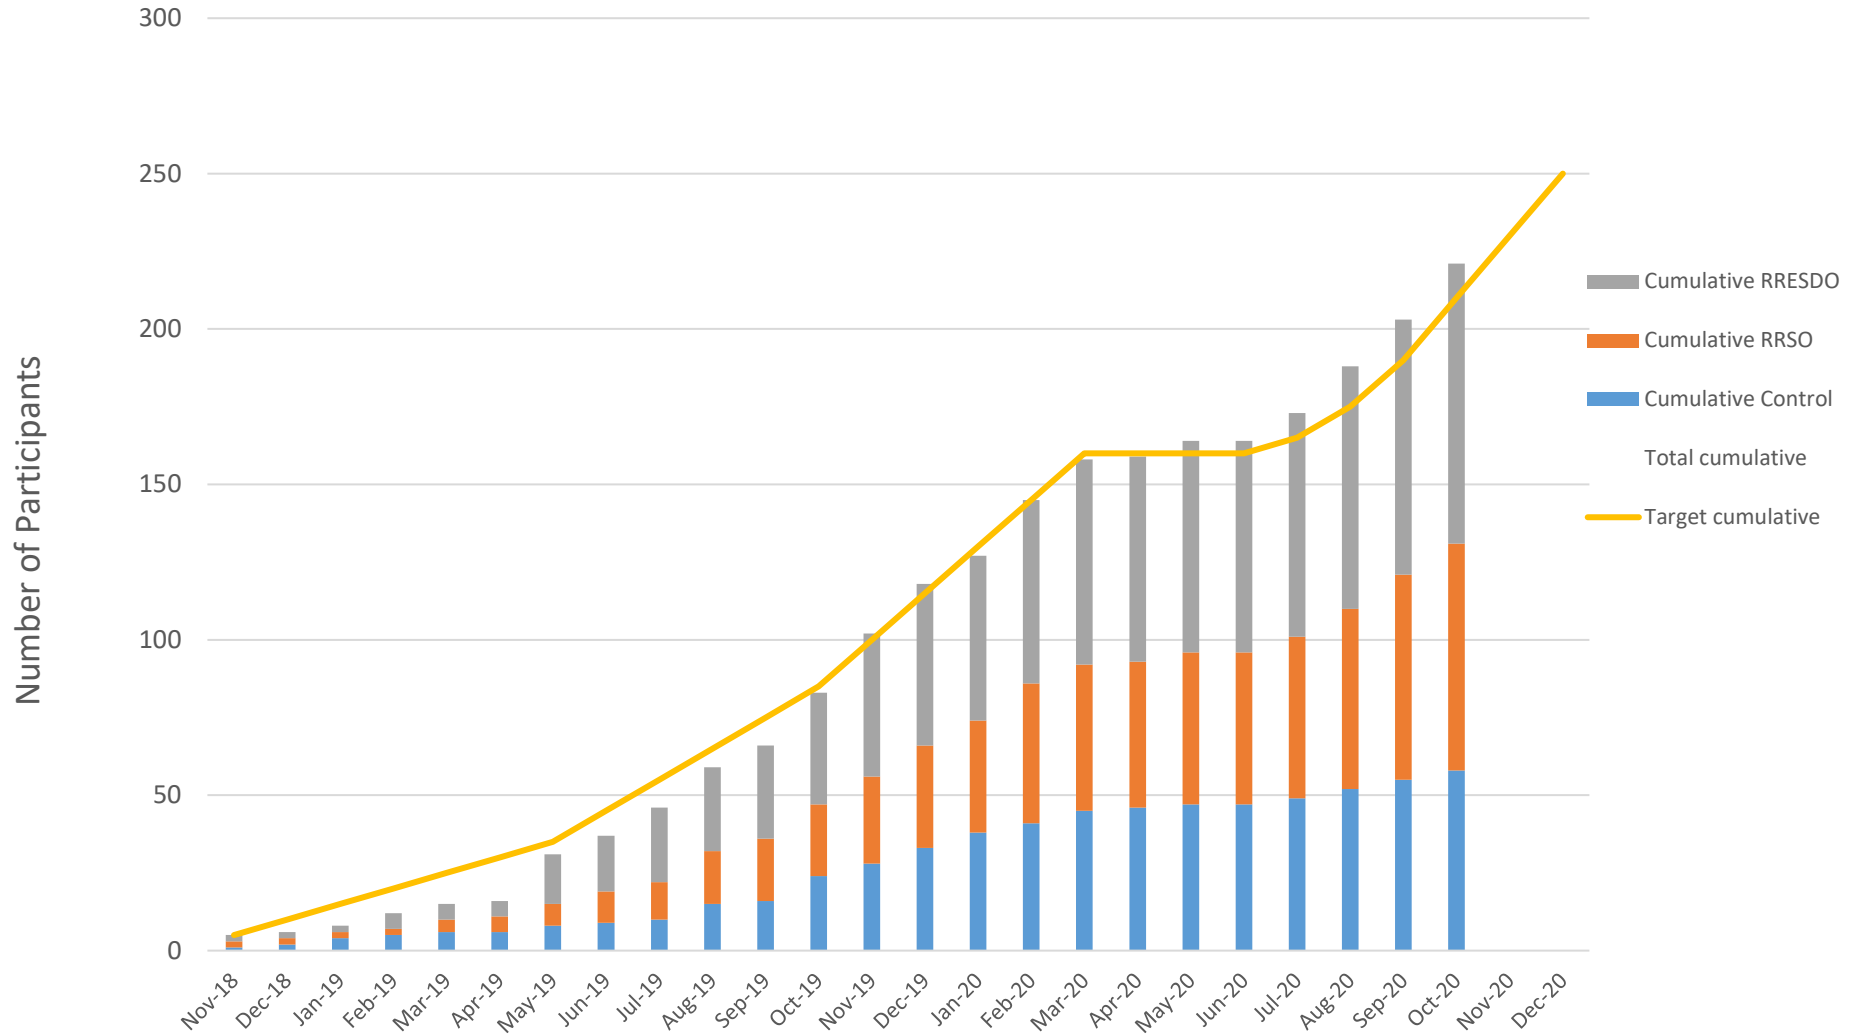

REMINDER

- Don't forget to notify us when a participant's **surgery** is scheduled or has happened.
- Please continue to post histopathology and cytology **slides direct to the central pathologist** following local pathology review. Liaise with the PROTECTOR team before sending slides.
- Do not send FFPE blocks to the PROTECTOR team or central pathologists; these should be retained at sites at present. We will be in touch to retrieve these at a later date.
- You can contact the PROTECTOR team at bci-protector@qmul.ac.uk. Please do not send any participant identifiable information to this email address. If you need to send patient identifiable information to us, please use protector.study@nhs.net.
- Please keep the study database up-to-date. The baseline investigations and hormonal profile forms are important to determine patient eligibility. <https://trials.ecmc.qmul.ac.uk/protector>
- **Baseline questionnaires** should be posted to the below address once completed. Prepaid envelopes can be requested if needed.
