- Please **register your patients** and complete the consent ecrf on the PROTECTOR database **as soon as possible**. This helps us to accurately track recruitment numbers.
- Please **inform the coordinating team** when your PROTECTOR participants have a **date confirmed for surgery**.
- There are **two different surgeries** within the **RRESDO** arm: 'early salpingectomy (ES)' and 'delayed oophorectomy (DO)'. For patients who have had the initial surgery of having their fallopian tubes removed, please complete the 'ES' forms. For patients who have had the second surgery of having their ovaries removed, please complete 'DO' forms.
